

O-TTPS Conformance Statement

The Conformance Statement contains a series of questions that need to be answered. Complete all of the fields in the questionnaire. The completed document is a Conformance Statement for your Organization that identifies the version of the Open Trusted Technology Provider™ Standard (O-TTPS) with which you comply and indicates how you comply with the O-TTPS. Your completed form must be submitted to the Certification Authority as part of your application for certification. Please note that all information in this Conformance Statement will appear on the public Certification Register.

Name of Organization

OpenVu, LLC

URL for your organization's website:
