1. Introduction

Training Organizations must complete ALL of the fields in this document to produce the Conformance Declaration for their training course. The Conformance Declaration identifies the course and defines the Scope of Accreditation.

Upon achieving accreditation, all information in this Conformance Declaration is included on the public Accredited Course Register for the program in which the training course is accredited.

Only the course offering as described in the Scope of Accreditation may be promoted and offered as accredited. Any additional certification level, delivery method, or delivery language must be explicitly added to the Scope of Accreditation and approved by the Certification Authority.

2. Submitter Information

The full name of the Organization that is registering this training course for accreditation:

QA Ltd

The name of the person completing this Conformance Declaration:

Isha Howlett

3. Course Information

3.1 Course Name

The course name specified for accreditation must be the same name used when marketing and promoting a training course. The name entered here is also how the course is reflected on the Accredited Course Register.

The name of the training course:

4.3 Delivery Methods

There are four (4) primary delivery methods (Classroom, E-Learning, Blended, Other – a trainer-specific method described below). Each is independently assessed to ensure consistency in training delivery for any delivery method covered by this Scope of Accreditation.

Classroom is live, instructor-led training with real-time interaction between the instructor and learners. This includes both face-to-face instruction and training delivered online to some or all learners. For this delivery method, the training course may be delivered via a live classroom, virtual classroom, or a combination of both.

E-Learning is self-paced training delivered online with support from a trainer.

Blended learning is delivered as a combination of Classroom and E-Learning.

The ways in which this training course will be delivered are as follows:

__X__ Classroom

For Classroom learning, the type of classroom learning is:

__X__ Live Classroom

__X__ Virtual Classroom

__X__ Combination of Live Classroom and Virtual Classroom

_____ E-Learning

_____ Blended

For Blended learning, the type of classroom learning is:

_____ Live Classroom combined with an E-Learning component

_____ Virtual Classroom combined with an E-Learning component

_____ Other

If Other, this section provides an explanation of how the course is delivered.

4.4 Languages

4.4.1 Course Materials Language

The training course materials for each language will be independently assessed to ensure consistency in training delivery for any language covered by this Scope of Accreditation, as identified below.

The language in which the training course materials are written is as follows:

__X__ English

_____ Brazilian Portuguese

_____ French

_____ German

_____ Latin American Spanish

_____ Simplified Chinese

_____ Other

If Other, this section identifies the language in which the training course materials are written.

4.4.2 Delivery Language

An ATC Provider may use English language training course materials and deliver the course in a local language. If this course uses English language training materials and is delivered in languages other than English, this section identifies the languages in which this training course may be delivered.

_X___ Course will only be delivered in English

_____ Course will be delivered in languages other than English; the languages are listed below

4.5 Examinations

An ATC Provider may be authorized to include the examinations as a part of their course delivery, or may provide students with vouchers to take the examinations at The Open Group Examination Provider's public examination centers. Examinations do not apply to Credential courses.

This training course includes an examination session as part of the training delivery:

_____ Yes, always

_____ Sometimes, but not always

__X__ No, trainer only provides vouchers for the Examination Provider's examination centers

If Sometimes, this section explains when examinations are included.
