1. **Introduction**

Training Organizations must complete ALL of the fields in this document to produce the Conformance Declaration for their training course. The Conformance Declaration identifies the course and defines the Scope of Accreditation.

Upon achieving accreditation, all information in this Conformance Declaration is included on the public Accredited Course Register for the program in which the training course is accredited.

Only the course offering as described in the Scope of Accreditation may be promoted and offered as accredited. Any additional certification level, delivery method, or delivery language must be explicitly added to the Scope of Accreditation and approved by the Certification Authority.

2. **Submitter Information**

The full name of the Organization that is registering this training course for accreditation:

TÜV Rheinland Akademie GmbH

The name of the person completing this Conformance Declaration:

Torben Malchow

3. **Course Information**

3.1 **Course Name**

The course name specified for accreditation must be the same name used when marketing and promoting a training course. The name entered here is also how the course is reflected on the Accredited Course Register.

The name of the training course:

TOGAF® 9 Training Course
3.2 Responsibility

The Organization must designate an ATC Manager for each Accredited Training Course who is responsible for the operation, quality, and integrity of the ATC. If the ATC Manager role for a given training course is distributed among several people, the Organization must nominate one person as ATC Manager for the purposes of accreditation.

The name of the ATC Manager with overall responsibility for the delivery, quality, and integrity of the training course:

Torben Malchow

4. Scope of Accreditation

The responses in this section identify the scope of the training course covered by this accreditation. Trainers have replaced “_____” with “_X_” to indicate selections.

4.1 Program

The program for which this course is to be accredited:

_____ ArchiMate®
_____ DPBoK™
_____ IT4IT™
_____ Open Agile Architecture™
_____ Open FAIR™
_XX_ TOGAF®

4.2 Type of Course

The types of training covered by the training course. Selection is only from those options applicable to the program identified in Section 4.1.

ArchiMate®

_____ ArchiMate 2 Foundation
_____ ArchiMate 2 Certified
_____ ArchiMate 2 Foundation and Certified Combined
_____ ArchiMate 3 Foundation
_____ ArchiMate 3 Practitioner

DPBoK™

_____ DPBoK™ Foundation
4.3 Delivery Methods

There are four (4) primary delivery methods (Classroom, E-Learning, Blended, Other – a trainer-specific method described below). Each is independently assessed to ensure consistency in training delivery for any delivery method covered by this Scope of Accreditation.

Classroom is live, instructor-led training with real-time interaction between the instructor and learners. This includes both face-to-face instruction and training delivered online to some or all learners. For this delivery method, the training course may be delivered via a live classroom, virtual classroom, or a combination of both.

E-Learning is self-paced training delivered online with support from a trainer.
Blended learning is delivered as a combination of Classroom and E-Learning.

The ways in which this training course will be delivered are as follows:

__X__ Classroom

For Classroom learning, the type of classroom learning is:

__X__ Live Classroom

__X__ Virtual Classroom

_____ Combination of Live Classroom and Virtual Classroom

_____ E-Learning

____ Blended

For Blended learning, the type of classroom learning is:

_____ Live Classroom combined with an E-Learning component

_____ Virtual Classroom combined with an E-Learning component

_____ Other

If Other, this section provides an explanation of how the course is delivered.

4.4 Languages

4.4.1 Course Materials Language

The training course materials for each language will be independently assessed to ensure consistency in training delivery for any language covered by this Scope of Accreditation, as identified below.

The language in which the training course materials are written is as follows:

_____ English

_____ Brazilian Portuguese

_____ French

__X__ German

_____ Latin American Spanish

_____ Simplified Chinese

_____ Other

If Other, this section identifies the language in which the training course materials are written.
4.4.2 Delivery Language

An ATC Provider may use English language training course materials and deliver the course in a local language. If this course uses English language training materials and is delivered in languages other than English, this section identifies the languages in which this training course may be delivered.

_____ Course will only be delivered in English

_X__ Course will be delivered in languages other than English; the languages are listed below

| German |

4.5 Examinations

An ATC Provider may be authorized to include the examinations as a part of their course delivery, or may provide students with vouchers to take the examinations at The Open Group Examination Provider’s public examination centers. Examinations do not apply to Credential courses.

This training course includes an examination session as part of the training delivery:

_____ Yes, always

_____ Sometimes, but not always

_X__ No, trainer only provides vouchers for the Examination Provider’s examination centers

If Sometimes, this section explains when examinations are included.
