1. **Introduction**

Training Organizations must complete ALL of the fields in this document to produce the Conformance Declaration for their training course. The Conformance Declaration identifies the course and defines the Scope of Accreditation.

Upon achieving accreditation, all information in this Conformance Declaration is included on the public Accredited Course Register for the program in which the training course is accredited.

Only the course offering as described in the Scope of Accreditation may be promoted and offered as accredited. Any additional certification level, delivery method, or delivery language must be explicitly added to the Scope of Accreditation and approved by the Certification Authority.

2. **Submitter Information**

4.3 Delivery Methods

There are 4 primary delivery methods (Classroom, E-Learning, Blended, Other – a trainer specific method described below). Each is independently assessed to ensure consistency in training delivery for any delivery method covered by this Scope of Accreditation.

Classroom is live, instructor-led training with real-time interaction between the instructor and learners. This includes both face-to-face instruction and training delivered online to some or all learners. For this delivery method, the training course may be delivered via a live classroom, virtual classroom, or a combination of both.

E-Learning is self-paced training delivered online with support from a trainer.

Blended learning is delivered as a combination of Classroom and E-Learning.

The ways in which this training course will be delivered:

___ X___ Classroom  
For Classroom learning, the type of classroom learning is:
____ Live Classroom  
____ Virtual Classroom  
____ Combination of Live Classroom and Virtual Classroom  
___ E-Learning  
___ Blended  
For Blended learning, the type of classroom learning is:
____ Live Classroom combined with an E-Learning component  
____ Virtual Classroom combined with an E-Learning component  
____ Other  
If other, this section provides an explanation of how the course is delivered.

4.4 Languages

4.4.1 Course Materials Language

The training course materials for each language will be independently assessed to ensure consistency in training delivery for any language covered by this Scope of Accreditation, as identified below.

Each language in which the training course materials are written:

____ English  
____ Brazilian Portuguese  
____ French  
____ German  
____ Latin American Spanish  
___ X___ Simplified Chinese  
___ Other  
If other, this section identifies the language in which the training course materials are written.
4.4.2 Delivery Language

An ATC Provider may use English language training course materials and deliver the course in a local language. If this course uses English language training materials and is delivered in languages other than English, this section identifies the languages in which this training course may be delivered.

_____ Course will only be delivered in English
__X__ Course will be delivered in languages other than English. The languages are listed below.

Simplified Chinese

4.5 Examinations

An ATC Provider may choose to include the examinations as a part of their course delivery, or may provide students with vouchers to take the examinations at The Open Group Examination Provider's public examination centers.

This training course includes an exam session as part of the training delivery:

_____ Yes, always
_____ Sometimes, but not always
__X__ No, trainer only provides vouchers for the Examination Provider’s exam centers

If Sometimes, this section explains when examinations are included.
